

Commissioning Brief for Alderman Knight School for implementation from September 2017 – August 2018

This document sets out the LA requirements of the provision to be made by the school. It will be used by the LA in its decision making process when placing CYP in Special School. Specific details of the school's provision/facilities are available on the website www.aldermanknight.gloucs.sch.uk or in the prospectus (if applicable).

1. Number and range of places:

Day places for boys and girls aged between 4 and 19

Total funded placement number for year commencing September 2017 = 124 allocated as follows:

114 places for 4-16 yr olds
10 places for 16-19 yr olds

In exceptional circumstances, where the Local Authority requires an additional placement at the school above the funded placement number, the terms for admitting the additional placement will be agreed between the Local Authority and the school on a case by case basis.

2. Geographical area covered:

Pre 16 provision - Primarily Tewkesbury and surrounding district in North Gloucestershire or where the school is the nearest most appropriate school.

Post 16 provision - Countywide

3. Special Needs of children attending:

The school is for pupils whose special needs have been identified as moderate and additional learning difficulties (MALD) including pupils with complex difficulties.

There is also limited capacity to meet the needs of pupils with Severe Learning Difficulties (SLD) dependent on their specific needs.

Pupils may also have associated complex learning difficulties and disabilities (i.e they may have conditions that overlap and interlock, e.g. mental health, behavioural, physical, medical, sensory, communication & interaction)

Post 16 provision

The Post 16 provision at Alderman Knight School will provide for young people aged 16 to 19 with EHCPs and statements of special educational needs which identify they must:

- Have Complex Communication and Interaction special educational needs usually associated with an autistic spectrum disorder including Asperger's syndrome and complex needs including anxieties, emotional, social and mental health needs, and:
- Have the cognitive potential to attain a range of accreditations at Level 2/ GCSE equivalent Grades A* -D, and

- Require a specialist setting to access a further education curriculum

The school does not make provision for children and young people whose primary Special Educational Need is Social, Emotional and Mental Health presenting with challenging behaviour

4. Admissions Procedure

The indicators for admissions to special schools are attached as Appendix A to this commissioning brief. Admission is based on the needs of the individual child or young person and may take place at any point in the year, normally at the start of one of the six terms.

Any pupils who have been offset in mainstream should be placed in their chronological year group when entering a special school. Any offset pupils in special schools will revert to their chronological year group as soon as practicable, with all pupils being in their correct year group at the time they leave the school. This should be identified before or at Annual Review with arrangements to change year group being agreed.

Admission may be requested in advance of completion of an Education Health & Care Plan (EHCP), especially where this may assist in determining the level of support required. All other pupils at the school will have a statement of special educational needs or and EHCP.

All referrals for the placement of children and young people with a statement or EHCP are discussed and decided by the Local Authority's multi-agency Special Needs Resource Panel or where the referral meets the criteria it will be considered at officer level. The views of an Educational Psychologist are always sought in support of this process.

Requests for a placement in the post 16 centre will be considered by the Local Authority's multi agency Special Needs Resource Panel.

5. Partnership provision for the school

NHS Gloucestershire Care Services is responsible for provision of:

- Speech and Language Therapy (SALT);
- Occupational Therapy;
- Physiotherapy;
- Public Health Nurse (school nurse) service; and
- Other community nursing services

for pupils attending the school, when it is identified as appropriate.

The Gloucestershire Hospitals NHS Foundation Trust is responsible for provision of the community paediatrician service.

The 2gether Foundation NHS Trust Children and Young People Service is responsible for:

- Support to individual students referred to the service
- Practitioner advice and training
- Referrals under their vulnerable children service when it is appropriate
- Community Learning Disability Team

GCC Children & Young People Targeted Support Teams are available to support:

- Holistic planning and assessment
- Advice & support on individual students

Note: Educational psychology support for statutory work is now being provided by GCC Educational Psychology Service

6. Annual Reviews of Statement of SEN or EHCP

Pupils' continuing needs will be monitored through the subsequent process of the Annual Review of Statement of SEN or EHCP. Where appropriate, this process will support reintegration into mainstream school with transitional support.

Transition reviews, for pupils aged 14 onwards, will be held annually to plan for the most appropriate post 16 placement. This will include consideration of Further Education (FE) and employment provision.

In any case/circumstance where a change in provision is being considered, the school will call a Review meeting.

All reviews should involve attendance by parents/carers with support from the Parent Partnership where requested and any other professionals who may be key to the pupils development.

7. Review of Commissioning Brief

The commissioning brief is due for revision for September 2018.

APPENDIX A

Indicators for admissions at Special Schools

1. The child/young person has an EHCP or in exceptional cases is currently undergoing EHC statutory needs assessment.
2. The child/young person requires a highly differentiated curriculum and /or learning environment which would not normally be available in mainstream settings. The child/young person's needs will have already been supported through a high level of additional resources through the Gloucestershire graduated pathway.
3. The young person/parent has expressed a preference for a special school placement which is agreed by the local authority's multi-agency Special Educational Needs and/or Disability (SEND) panel
Or
The parent/young person expresses preference for mainstream school but evidence indicates that no reasonable steps could be taken by the school or local authority to overcome the 'incompatibility with the efficient education of other pupils. (Education Act 2006 and January 2015 SEND Code of Practice: 0-25 years)
4. The child/young person has complex and significant needs in one or more of:
 - a) Communication and interaction
 - b) Cognition and learning
 - c) Social, emotional and mental health
 - d) Sensory and/or physicalAs evidenced in reports from Educational Psychologists, Advisory Teachers, Speech and Language Therapists, School/college reports and reports from other practitioners or agencies involved with the child /young person, and as indicated by The Resource Allocation System (RAS)
5. The child/young person has persistent, complex long-term learning needs as evidenced by standardised assessments and/or attainments significantly below expected levels in most areas of the curriculum, despite appropriate interventions.
6. Additional indicators may include:
 - a) Multi-agency interventions from both health and social care
 - b) A predicted high level of dependency throughout life
 - c) A history of poor attendance and/or exclusions
 - d) A history of not accessing mainstream classes with teaching and learning provision in isolation.
